#### ORDER

APPROVING AMENDMENT OF CODE OF FAIR COMPETITION FOR THE  
MEDIUM AND LOW PRICED JEWELRY MANUFACTURING INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for the Medium and Low Priced Jewelry Manufacturing Industry, said amendment being to eliminate subsection (c) of Section 1 of Schedule A of said Code, and hearings having been duly held thereon and the annexed report on said amendment, containing findings with respect thereto, having been made and directed to the President.

NOW, THEREFORE, on behalf of the President of the United States, the National Industrial Recovery Board, pursuant to authority vested in said Board by Executive Orders of the President, including Executive Order No. 6859, dated September 27, 1934, and otherwise; does hereby incorporate, by reference, said annexed report and does find that said amendment and the Code as constituted after being amended comply in all respects with the pertinent provisions and will promote the policy and purposes of said Title of said Act, and does hereby order that said amendment be and it is hereby approved, and that the previous approval of said Code is hereby modified to include an approval of said Code in its entirety as amended.

NATIONAL INDUSTRIAL RECOVERY BOARD,  
By W. A. HARRIMAN, *Administrative Officer*.

Approval recommended:

JOHN W. UPP,

*Acting Division Administrator.*

WASHINGTON, D. C.,

*March 4, 1935.*

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: Public Hearing on an amendment to the Code of Fair Competition for the Medium and Low Priced Jewelry Manufacturing Industry submitted by the Schoenthaler-Green-Ellbogen-Wood Committee, representing 57 manufacturers of fraternity jewelry out of a possible 100 concerns manufacturing this product, was conducted in Washington on April 27, 1934, in accordance with the provisions of the National Industrial Recovery Act.

As a result of said hearing, it is believed that Section C, of Section 1, Schedule "A" of the above Code, would tend to establish monopolies.

The Deputy Administrator in his final report on said Amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

It is found that:

(a) The Amendment of said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of the industries, by avoiding undue restrictions of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, Subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The group was and is an industrial group truly representative of the manufacturers operating under Schedule A of the Code for the Industry and that said group imposed and imposes no inequitable restrictions on admission to membership therein and has applied for this amendment.

(d) The amendments and the Code are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to the approval of said amendments and modifications.

For these reasons the amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*

MARCH 4, 1935.
